Condition of Goods: GES shall not be liable for damage, loss, or delay to uncrated freight, freight improperly packed, glass breakage or concealed damage. GES shall not be liable for ordinary wear and tear in handling of Goods or for damage to shrink wrapped Goods. All Goods should be able to withstand handling by heavy equipment, including but not limited to forklifts, cranes, or dollies. It is the Customers' responsibility to ensure that Goods are packaged correctly prior to shipment or movement on or off the Show floor.

Cold Storage: Goods requiring cold storage are stored at Customer's own risk. GES assumes no liability or responsibility for Cold Storage.

Accessible Storage: GES assumes no liability for loss or damage to Goods while in Accessible Storage. Storage charges are for the use of space and are not a form of insurance, or a guarantee of security.

Unattended Goods: GES assumes no liability for loss or damage to unattended Goods received at Show Site at any time from the point of receipt of inbound Goods until the loading of the outbound Goods, including the entire term of the respective show or exhibition. Customer is responsible for insuring its' own Goods for any and all risk of loss.

Labor: GES assumes no liability for loss, damage, or bodily injury arising out of Customer's supervision of GES provided union labor. If GES supervises labor for a fee, GES shall be liable only for actions or claims arising out of its' negligent supervision. If Customer elects to use unsupervised labor, then Customer assumes all liability for the actions or claims that arise out of such work, and shall provide GES and show management with an indemnity, including defense costs, for any claims that result from Customers' supervision or failure to supervise

If Goods remain on the floor after this point, GES has the right to remove them in order to restore the premises to its' original condition for show management pursuant to the venue's lease with show management. In such cases GES is authorized to proceed in the manner chosen by Customer on the Order for Material Handling Services/ Straight Bill of Lading. Failure to select one of the provided options will result in re-routing at GES' discretion, and at Customer's expense assuming the Goods are labeled for return. GES retains the right to dispose of Goods left on the show floor without liability if left unattended, left without labels or not correctly labeled.

Concealed Damage: GES shall not be liable for concealed loss or damage, uncrated Goods, or improperly packaged or labeled Goods.

Unattended Booth: GES shall not be liable for any loss or damage occurring while Goods are unattended in Customers booth at any time, including, but not limited to, the time the Goods are delivered to the dock until the time the Goods are received by Customers' chosen carrier. All Material Handling Forms and/or Straight Bills of Lading covering outgoing Goods submitted to GES will be checked at the time of pickup from the booth and corrections to the count or condition will be documented where discrepancies exist.

Measure of damage: GES' liability shall be limited to the lesser of 1) the depreciated value of Goods, 2) repair cost, or 3) the limitation of liability. The limitation of liability shall be \$50 (fifty cents) per pound per piece, \$100.00 (one hundred dollars) per package or \$1,500.00 (one thousand five hundred dollars) per occurrence.

Excess Declared Value: If Customer wishes a higher limitation of liability than stated above, for loss or damage to property that occurs during the show, the Customer may do so by declaring a value in the space provided on the GES services order form(s) and also on the **Material Handling Order Form** and **paying by the appropriate additional charge in advance of the commencement of services by GES.** Maximum liability for damages resulting from GES' negligence shall then be increased to the amount of declared, but in no case shall it exceed the depreciated value of the Goods or repair costs, whichever is less. In case of partial loss or damage, the maximum liability shall be prorated based on weight. Excess Declared Value is not for: plasma screens, or other fragile electronic equipment, original art, and prototypes. The Declared Value may never exceed \$100,000, for the purpose of this provision and GES' liability in all circumstances shall be limited to the amount of this cap.

No Insurance: GES is not an insurance company and does not offer or provide insurance. It is the obligation of Customer to ensure Goods are insured at all times. Loss or theft of the Goods in storage or in transit to and from the show and or while on the show floor is the sole responsibility of Customer, unless it is shown that GES performed in a manner that constitutes gross negligence in the performance of its services for Customer.

Notice of loss or damage: In order to have a valid claim notice of loss or damage to Goods must be given to GES or its agent within 24 hours of occurrence or delivery of Goods, whichever is later.

Filing of claim: Any claim for loss or damage to Goods must be in writing, containing facts sufficient to identify the Goods, asserting liability for alleged loss or damage, and making claim for the payment of a specified or determinable amount of money. Such claim must be filed with the appropriate party within the time limits specified below.

Damage Reports, incident reports, inspection reports, notations of shortage or damage on freight bills or other documents, do not constitute filing of a claim.

Claims for Goods alleged to be lost or damaged **during transit** must be received by the responsible party within nine (9) months of date of delivery of Goods. GES Logistics subcontracts the movement of Goods to third party carriers. Claims for damage in transit should be made directly with the Customer's carrier as shown on the Material Handling form/ Bill of Lading. In the event of a dispute with GES, Customer will not withhold payment or any amount due GES for Services as an offset against the amount of the alleged loss or damage. Customer agrees to pay GES prior to the close of the show for all such charges and further agrees that any claim Customer may have against GES shall be pursued independently by Customer as a separate action to be resolved on its own merits. GES retains the right to pursue collection on amounts owed after show close, without regard to any amount alleged to be owed for damage, or loss.

Filing of suit: Any action at law regarding loss or damage to Goods must be filed within two years of the date of declination of any part of a claim.

The parties hereby submit to jurisdiction and venue in the United States Federal District Court of Nevada, or as applicable depending upon jurisdiction, the County Circuit Court in Clark County, Nevada.

VIII. Advanced Warehousing/Temporary Storage/Long Term Storage.

GES shall be liable only for loss or damage to Goods caused by GES' sole negligence. GES' liability is limited to sixty cents per pound (\$.60) of the actual cash value per article. In case of partial loss or damage, the maximum liability shall be prorated based on weight. GES is not responsible for any loss or damage to Goods caused by, but not limited to fire, theft, the elements, vandalism, moisture, vermin, mechanical breakdown or failure, freezing or changes in temperature, as well as any other causes beyond GES' immediate control. GES is not responsible for the marring, scratching or breakage of glass or other fragile items. GES is not liable for the mechanical functions of instruments or appliances even if such articles are packed or unpacked by GES. In no event shall GES be liable for special, incidental, indirect or consequential damages, including business loss of any kind, resulting from any damage to or loss of the Goods or from any act or failure to act. Customer pays storage fees, if any or costs for advance warehousing for use of the space only. There is no guarantee of security or representations made by GES as to appropriateness of the conditions for Exhibitors' Material. The risk of loss remains the Customers alone and GES recommends the Customer carry and maintain insurance in amounts sufficient to cover its' risk.
