Governing Identity, Respectfully

Wendy Seltzer, Tucows
PEPR '24

Identity is personal

Identity is relational

Identity relations need governance

Identity relations need governance (not just tech)

Governance?

Multistakeholder governance

One World, One Internet

WELCOME TO ICANN'S AT LARGE MEMBERSHIP

Thanks to everyone who registered to participate in ICANN's At Large Membership for this year's vote. With over 76,000 activated members, ICANN achieved its goal of a large, globally diverse membership.

Double thanks to the At Large members who cast their votes!

ICANN's At Large Membership is selecting 5 members of the ICANN Board of Directors in a worldwide online vote. One Director will be selected from each of five geographic regions: Africa, Asia/Australia/Pacific, Europe, Latin America/Caribbean, and North America.

The voting process is now complete. The deadline for voting was midnight GMT/UTC, 10 October 2000.

One World, One Internet

Democracy is the worst form of government – except for all the others that have been tried.

–Winston Churchill

Participation as Respect

NOT FOR OFFICIAL USE

WASHINGTON, DC

NOT FOR OFFICIAL USE

SAMPLE

END TAXATION WITHOUT REPRESENTATION

Embedding respect

- Open, transparent process
- Bounded scope and corresponding authority
- Grounds and incentives for participation and compromise
- Variable configurations of stakeholders over time

We Need To Rewild The Internet

The internet has become an extractive and fragile monoculture. But we can revitalize it using lessons learned by ecologists.

Noah Campeau for Noema Magazine

Thanks!
